ASHI CABS-Child & Babysitting Safety Including CPR/AED and Basic First Aid

Instructor: CPR Alive

For most new babysitters, building a babysitting business starts with family, friends, and then neighbors. Learn what things you should do to get ready for your first job – like figuring out what to charge, how to help the parents get to know you, getting to know the family you are babysitting for, and letting people know you are open for business. This is an eight-hour Child and Babysitting Safety (CABS) course. This course will cover safety, prevention, and basic first aid. Topics will include: an introduction to babysitting as a business, Safety and injury prevention, leadership, play time, basic caregiving skills and first aid.

This course is designed for individuals 12 to 18 years of age.

CRN #	50995
Day:	Friday
Date:	6/22/18
	Registration deadline 6/15/18
Time:	8:30am-4:30pm-1/2 hour break
Room:	A206
Tuition Cost:	$100-no textbook needed

AHA BLS (Basic Life Support)

Instructor: CPR Alive

The AHA's new BLS has been updated to include science and education from the 2015 Guidelines Update for CPR (Cardiopulmonary Resuscitation) and ECC (Emergency Cardiovascular Care). This four-hour course teaches both single-rescuer and team basic support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics. In this instructor-led course, students participate in simulated clinical scenarios and learning stations. Students work with an AHA BLS instructor to complete BLS skills practice and skills testing. Students will also complete a written exam. Students successfully completing this four-hour certification course will receive their Healthcare Provider certification e-card by email within 20 days and valid for 2 years.

CRN #	50996
Day:	Wednesday
Date:	7/25/18
	Registration deadline 7/18/18
