Three Rivers Community College

574 New London Tpke

Norwich, CT 06360

Please join us!

Adventures in Lifelong Learning was formed in 1995 by 60 retirees in order to expand their horizons, explore new skills and satisfy their intellectual curiosity.

A.L.L. is a volunteer and self-governing organization guided by an Executive Board. Planning for classes is done by A.L.L. members twice a year at scheduled open meetings

Our classes encompass a myriad of topics, such as architecture, art, classic movies, history, literature, health/wellness, finance, music, politics and religion. Field trips to art galleries, museums and historic sites are also an integral part of each semester's lifelong learning agenda.

Classes are offered five days a week during day time hours on the campus of Three Rivers Community College.

Occasionally a program is offered off campus.

Fall semester classes are held in October and November; spring semester classes are held in April and May.

No academic requirements ~ Informal class sessions

Open discussions ~ No homework

Adventures in Lifelong Learning is an affiliate of Road Scholar and operates under the auspices of Three Rivers Community College, Division of Workforce and Community Education.

Enrollment is open to anyone 50 years or older for a low per semester fee of \$15.

Registration materials are available by mail or download from the Three Rivers website. If you would like to be added to the mailing list, please call 860-215-9316 and leave your name and mailing address.

Opening and wrap-up receptions are held each semester and provide an opportunity to meet the lecturers and mingle with other A.L.L. members. Refreshments are provided.

Additional notes:

Please confirm room assignment at the Security Desk in the front lobby of the college before each class.

Class dismissal is at the discretion of the lecturer.

Some classes may have a limited enrollment. In this case, seats will be filled in the order in which the registration form, including the \$15 semester fee, is received. You will be notified if you have been placed on a waiting list.

If you register for a class with limited enrollment and find you are unable to attend, please call 860-215-9316 as soon as possible so the next person on the waiting list can attend.

Classes cancelled due to inclement weather will be announced on local radio and television stations and the TRCC website.
