## Past Life Regression

Have you ever felt like you've been somewhere before when you haven't?

Do you have unique, intense areas of interest or talents?

Do you have phobias with no known origin?

Past Life Regression Hypnosis is a technique that allows you to access a deeper knowledge of yourself. It is not religious, but it can be a spiritual experience. What is of the utmost importance to your daily life right now is what surfaces from your subconscious. Regardless of your belief system, all can benefit from this interesting journey into the subconscious—be it past life memories, metaphors for current challenges, early childhood experiences, or genetic memories of our ancestors.

Please wear comfortable clothing and bring a blanket for a deep relaxation experience

From instructor Rhonda Spaziani:

I incorporate relaxation techniques, meditation, Guided imagery and hypnotic techniques to gently lead you on your own unique journey into your subconscious. I am a licensed psychotherapist, certified by Dr. Brian Weissin Past Life Regression Hypnosis, and I am a National Guild of Hypnotist Board Certified Hypnotherapist.
