Supplemental Nutrition Assistance Program (SNAP) Employment and Training (E&T)
SNAP E&T is a work program designed to help SNAP recipients gain skills that will help increase self-sufficiency through short-term vocational programs at community colleges and community-based organizations. The goal of the program is employment.

SNAP Coordinator: Tracy Dickson, Phone: 860-215-9320 / Email: tdickson@threerivers.edu
Coordinator processes applications, verifies program eligibility at enrollment, registration, and on a monthly basis, and provides case management to assist participants in successfully completing their educational goals. Coordinator also regularly reports student progress to the Department of Social Services. SNAP E&T Coordinator does not assist individuals in applying for SNAP benefits.

Current SNAP E&T programs at TRCC:

<table>
<thead>
<tr>
<th>Central Sterile Processing Technician</th>
<th>Electrocardiogram Technician (ECG)</th>
<th>Security Officer Training</th>
</tr>
</thead>
<tbody>
<tr>
<td>Certified Nurse's Aide (CNA)</td>
<td>Pharmacy Technician</td>
<td>Veterinary Assistant</td>
</tr>
<tr>
<td>Dental Assistant</td>
<td>Phlebotomist</td>
<td></td>
</tr>
</tbody>
</table>

Eligibility Requirements:

- You must be receiving SNAP benefits.
- Students receiving Temporary Financial Assistance (TFA / cash assistance) are not eligible for SNAP training.
- You must have a GED or high school diploma.
- You must be willing and able to work upon completion of the training.
- SNAP clients cannot participate in training programs for which they cannot be employed by law.
- Students that have a “HOLD” within the CSCU system cannot register for SNAP Training. (A “hold” is when the CSCU system does not allow you to register for classes because you either: owe money, do not have immunizations up to date, or have other documentations missing in the system.)

Scholarship / Application process:

Step 1. Student must complete a SNAP Scholarship application.
Step 2. Student must speak with the SNAP Coordinator to review Scholarship expectations, commitments and discuss course pre-requisites.
Step 3. Student will complete all course-specific registration requirements (placement testing, immunizations, etc.)
Step 4. Student will register for course / program if seats are available.

*Additional funding available for books, uniforms, and supplies on a case-by-case basis.
